

We surveyed **21** of the biggest and most popular restaurant and pub chains serving up food to children to find out what's on the menu and whether service is up to scratch.

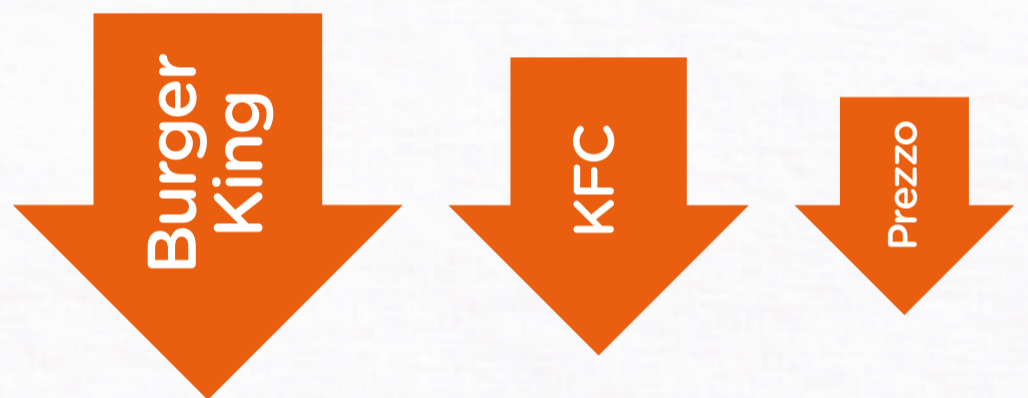

What's on the menu?

Highest Rating

Lowest Rating

Family Friendly?

Only 1 provides children's cutlery.

13 do not offer different sized portions of children's meals.

A healthy choice?

Only 1 offers children's portions of adult meals as standard.

10 don't offer a pudding with a portion of fruit in it.

Fresh food you can trust?

Only 1 could reliably tell parents where their meat comes from.

12 have the usual suspects like chicken nuggets and burgers in all or a majority of meat dishes.

What do parents want to see improved?

- 1 Child portions of adult meals.
- 2 More meals to choose from.
- 3 More food cooked from scratch on site.
