LANDSCAPE LEADERSHIP 2020

Scottish Land & Estates

Soil Association SCOTLAND

SESSION TWO AGENDA

Day one

15:00   **Arrival**
Refreshments will be available on arrival.

15:20   **Introduction**
An overview of the session by Emma.

15:55   **Strategic and landscape planning**
An introduction to strategic planning approaches and how they apply to landscape planning.

16:25   **Identifying my capital**
Identifying the "capital" or resources you can draw upon.

17:15   **Organisational strengths**
Identifying your organisational strengths.

17:25   **Opportunities facing the land sector**
Sharing our collective knowledge to identify key opportunities for the sector.

18:00   **Break**
Check in to the hotel.

19:00   **Guest speaker Holly Gillibrand**
Award-winning climate change activist and young person Holly Gillibrand will be speaking on why climate change matters to her. This session will be held in our private dining room.

19:45   **Dinner**
Dinner will be served in our private dining room.

Day two

09:00   **What is innovation?**

David will host a discussion about what innovation is.

09:30   **Visit and discussion**

A site visit to Shantron Farm, an agritourism monitor farm near Luss, to discuss balancing social, economic and environmental priorities.

11:50   **Stakeholder mapping and action plan**

Stakeholder mapping and creating an action plan.

12:20   **Lunch**

Enjoy!

13:00   **What will change in Scotland in the next 10, 20 or 50 years? Climate change and wildlife: being part of the solution**

Professor Davy McCracken, Head of Department of Integrated Land Management and Head of Hill & Mountain Research Centre for SRUC, talks to you about the impacts of climate change on your land.

13:45   **Aspirations**

Identifying, refining and prioritising goals and aspirations for your landscape. You will need to bring the goals and ideas you have been recording over the last few weeks.

14:45   **Decision making**

Some tools to make decision making easier.

15:00   **Landscape Action Plans**

Completing your Landscape Action Plan.

15:10   **Feedback**

Feedback on course to date and considering future session content.

15:30   **Finish**

We wish you all a safe journey home.
