

Certification fees for assessment of chemical inputs to Global Organic Textile Standards (GOTS)

Fees for assessment and approval of textiles inputs

Application fees are payable on application and cover your first year with us.

	Fee
Application fee per company	£321
Initial product assessment fee (payable per product alongside your application)	£55 per product
GOTS fee re-charged at cost price (payable per product alongside your application)	£23 per product

Annual renewal fees are payable every year thereafter

	Fee
Annual renewal fee per company	£321
Annual per product fee (renewal only – not applicable in year 1)	£11 per product

Additional product assessment and approval fees are charged on a per product basis at the time of submitting any new products to us for assessment and approval OR when GOTS release updated standards

	Fee
Initial assessment of the additional products	£55 per product
Re-assessment when GOTS release updated standards	£28 per product
GOTS fee re-charged at cost price – when GOTS release updated standards	£23 per product
Re-assessment if product composition or supply changes	£28 per product

Use of Global Organic Textile Standard logo

Use of the GOTS logo in the marketing of chemical inputs is voluntary, however is subject to approval by Soil Association Certification and a licence fee payable to GOTS. See the GOTS licensing and labelling guide for more information.

Exchange rates

We reserve the right to pass on exchange-rate related price increases due to fluctuating exchange rates.

Paying by instalments

Fees for UK-based businesses can be paid in six monthly instalments by way of a credit agreement from Premium Credit. Please note this involves an additional charge of 3.75% of the total value of the invoice, and a credit check may be required (subject to a minimum charge of £15).

VAT All fees are exclusive of VAT. VAT is not payable on fees for non-EU businesses. VAT is payable on fees for businesses based in the EU that are not registered for VAT. If you have a VAT registration number, please let us know.
