### 1. Introduction

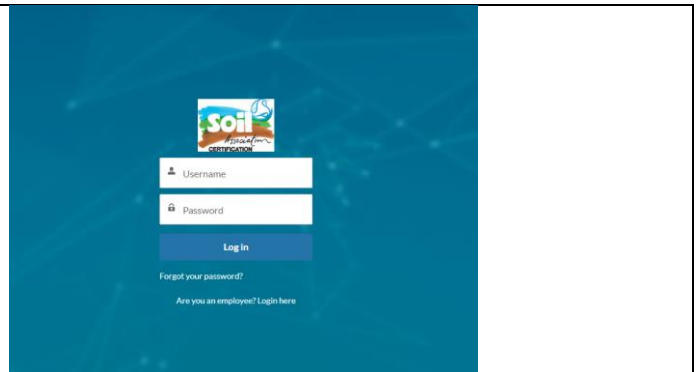

The Portal has been created initially to allow our customers to submit trademark approvals online and provide a convenient records area for audit purposes. This is the first phase in the development of a wider client portal which is being built to improve the certification experience for our customers. The portal will allow trademark approvals to be managed online, allowing certificate holders to submit new approvals and keep a history of all their requests. We will continue designing more features and improvements as we strive to progress our digital offerings.

### 2. Logging in

You will be provided with a username and password. Your username and password will be sent from [noreply@salesforce.com](mailto:noreply@salesforce.com). Your email system may label it as junk mail or spam.

To log in in simply go to <https://soilassociation.my.site.com/clientaccess/s/login/> and submit your username and password.

If you need to reset your password, please email [forestryportals@soilassociation.org](mailto:forestryportals@soilassociation.org)

This is the trademark approval homepage. There are seven options at the top of the page:

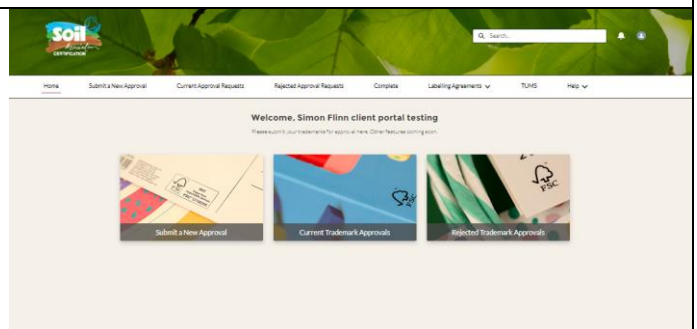

“Submit a New Approval”

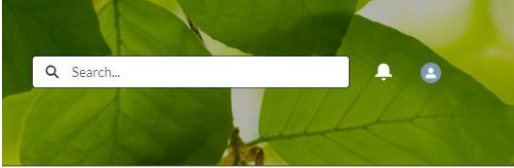

“Current” – a list of requests waiting for approval.

“Rejected” – a list of rejected approvals waiting to be resubmitted.

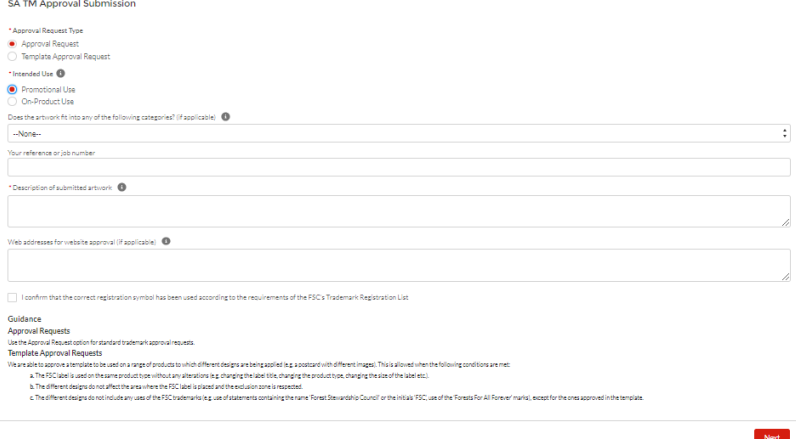

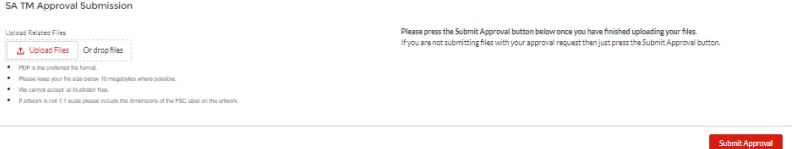

“Complete” – a list of all completed approvals

“Labelling Agreements” – An area for you to view and upload your labelling agreements

<p>“Help” – a useful area to help with portal questions and problems that you might have.</p>	
<p>In the top right of the screen, you will also see a search bar (for finding past approvals quickly).</p>	
<p>The <b>bell symbol</b> next to this lets you know if you have received any <b>notifications</b>. This will show a small red dot next to it if you have received a chatter post – see 6. <a href="#">Chatter facility</a>.</p>	
<p>Click on the grey circle with the image of the person if you would like to <b>log out</b> of the portal.</p>	

### 3. Submitting a trademark for approval

<p>First click on the submit an approval option on the home page.</p> <p>Here you will be asked whether it is an approval or template approval.</p> <p>You will be asked also whether it is On-product or for Promotional use.</p>	
<p>Next complete the information boxes below.</p>	
<p>The next screen is the prompt for uploading files</p>	

At this point you can upload files from your drive, or simply drag the files over to the "Or drop files" prompt.

You can upload more than one file at this point.

Click "submit approval" when finished uploading. If you do not click this, we cannot approve.

Dear

Your reference or job code: 123SA456

Thank you for sending your FSC trademark artwork for approval. I can confirm that the proposed use of the FSC trademark meets the requirements of the FSC Trademark Standard 50-001 v2.0.

Please ensure you retain access to this portal to evidence confirmation of our approval.

Best wishes

## 4. Resubmitting a rejected approval

<p>If your trademark is rejected, you will receive an email which will contain reasons for rejection.</p> <p>The approval will also appear in the rejected list.</p>	<p>Dear</p> <p>Your reference or job code: 12345</p> <p>Unfortunately, the trademark use submitted cannot be approved according to the requirements of the FSC Trademark for the following reason(s): NB: The clause number relates to v2.0 of the FSC Trademark Standard 50-001.</p> <ol style="list-style-type: none"> <li>1. The trademark registration symbol ® needs to be included after the initials FSC. (1.4)</li> </ol> <p>Please amend and resubmit the artwork for approval. As we work on a rota system of Trademark Approvers, please upload your changes and respond within the portal so that it is clear what issues need resolving.</p> <p>Best wishes</p> <p>Simon Flinn</p> <p>Soil Association Certification Tel +44 (0)117 9142435 <a href="http://www.soilassociation.org/forestry">www.soilassociation.org/forestry</a></p>  <p><b>Expert   Efficient   Effective</b> Forest Management</p>
<p>The rejected trademark request, will appear in the rejected list</p>	
<p>If you click on the submission you would like to change it will take you approval record.</p>	
<p>You can review the approval history by clicking "view all." This will show any submission and approver comments including reasons for rejection.</p>	

To resubmit Click on “add files” and reupload the amended trademark.

Once new file(s) uploaded click Submit for approval.  
  
A comments box will appear, please write that you have re-uploaded the amended file for approval. The original file will remain in the folder.

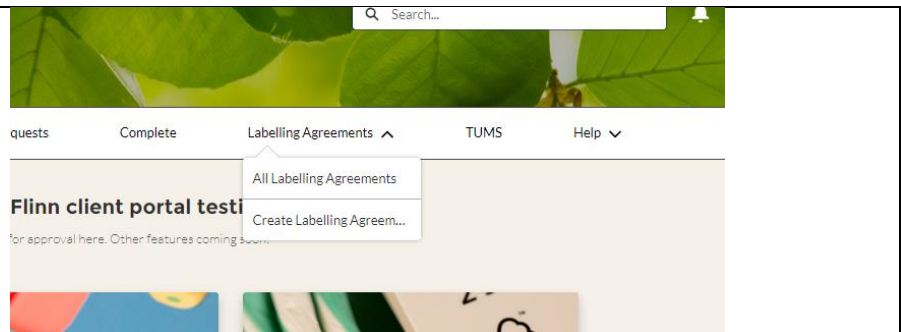

Once you have finished your amendments, click the Submit for Approval button.

## 5. Uploading to labelling agreements to the portal

The portal now allows you to upload and view your own labelling agreements.  
  
To upload a new labelling agreement, select “create labelling agreement” from the drop-down menu.

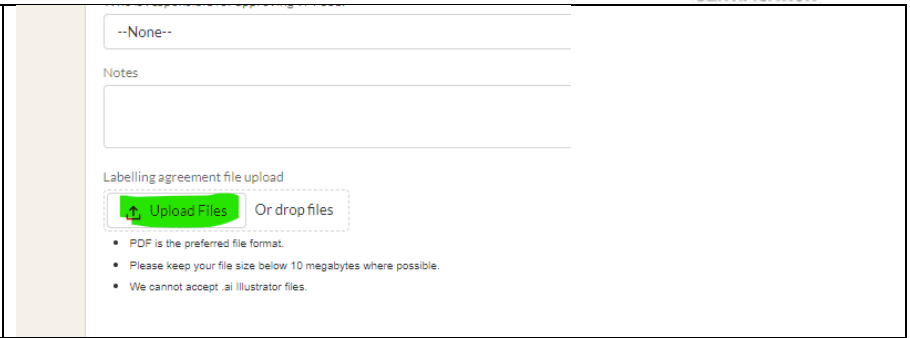

Click on the red button on the next screen.

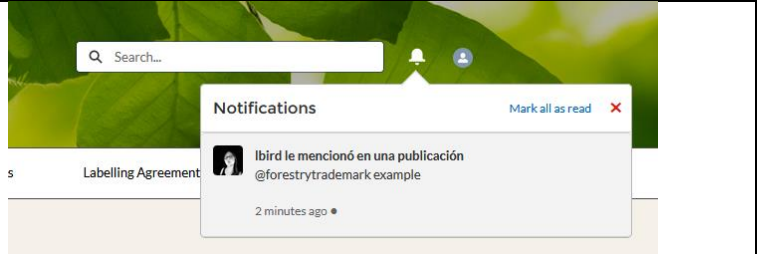

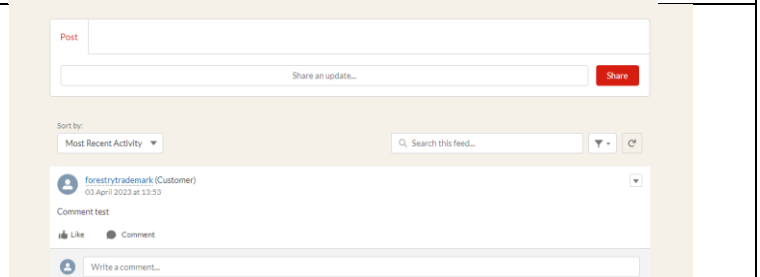

Then complete the small form.

<p>Finally upload the agreement</p>

## 6. Chatter facility

Occasionally there might be the need for one of our Trademark approvers to ask a question about an approval request before approving or rejecting. To allow you to respond in the portal, each approval now has a chatter object attached to it. Below lets you know when you receive a chatter response and how you can deal with it.

<p>When you receive a notification, of a chatter question you will receive an email notification and the bell will have red dot on the home screen.</p>	
<p>Clicking on the bell will show you a drop down of your notifications. If you click on the notification, it will take you to the approval record.</p>	
<p>On the approval record any question will appear on the Chatter object at the bottom of the page.</p>	
<p>To respond simply click on "write a comment." Write your reply and then click the red comment button.</p>
