

Recipes for nature's revival

Invitation template

How to use this resource:

Copy and paste this into an email or WhatsApp message, then fill in the details in [brackets].

Template copy:

Hello [Name]!

I'm hosting a Recipes for Nature's Revival [dinner / coffee and cake gathering] to raise money for the Soil Association to revive nature across UK farmland.

When: [Date + time]

Where: [Address/venue]

I'd love you to join me. We'll be [briefly describe what you're doing – e.g. enjoying a seasonal supper together / tucking into some homemade cakes].

Why am I doing this? More than half of birds on Britain's farms have disappeared, soil health is at its lowest, and species that were once common are now struggling to survive. With 70% of the UK made up of farmland, restoring nature at scale has to start here.

That's why I'm raising money for the Soil Association's work to help bring nature back to our farmland.

[Add a key statistic or impact message here – see the 'Fundraising Toolkit' in the [Recipes for Nature's Revival hub](#) for more message inspiration].

If you'd like to support my fundraiser, you can donate here:

[Insert the link to your Give as you Live fundraising page]

[Optional: [Watch this short film](#) to find out more about the Soil Association's work]

Hope you can make it!

[Your name]
